

The Dog Spot - Doggie Day Care

CONTRACT TERMS AND AGREEMENTS

The client agrees to be responsible for making sure their pet is:

- up-to-date on all vaccines and has a Bordetella (kennel cough) shot.
- administered flea and tic treatments regularly.
- house trained.

The client will provide the daycare facility with:

- a copy of the dog's current vaccination and health record.
- written instructions for medications, feeding and any other special considerations your dog requires. All meds and food must be safely sealed and clearly labeled.
- alternate/emergency contact information.

Customers will be provided written notification of any rate or service changes as prices are subject to change. Reasonable announcement is expected for schedule changes. Ill dogs are asked to stay home until they are feeling better. This policy is intended for the health and benefit of all. Clients are to call their pet in sick the night before or the morning of the scheduled appointment.

The establishment will not be held liable for any illness or injury your dog may acquire. If your dog needs medical care during his visit, you will be contacted immediately.

All reasonable precautions will be made to make sure that your pet is safe and happy. The Dog Spot reserves the right to terminate the contract if your pet's personality conflicts with the people or the other dogs in our facility. Pre-screening generally will eliminate the occurrence of such an incident. If, however, a conflict occurs which involves your pet, you will be called immediately and you will be held responsible for removing your dog from the facility promptly.

I have read and agree to the above terms and agreements and understand that noncompliance will result in contract termination.
