Your dog's nails will be ground assuming that your pet is not too aggressive or that it does not stress your pet too much.

- De-matting requires additional time and a charge of \$10-\$20. If severely matted it may require total shaving. No additional charges of shave downs will be done unless owner knows and gives permission prior to treatment.
- Fleas will be treated with a Capstar for a charge of \$5.00 per pill.
- Ticks will be dealt with on an animal to animal basis. Please note, ticks can be dangerous to the dog as well as the staff. If we find more than five ticks on your pet we may require your animal to be treated by a veterinarian.

Pets are accepted for grooming only under the following conditions:

- The animal is fit and healthy. Any grooming which takes place on an elderly animal or animal with health problems will be at owner's risk. Grooming may cause pre-existing health/skin problems for which the spa can not be held liable.
- The animal is vaccinated up to date. Any unvaccinated animal puts itself and other animals at risk.
- De-matting/thinning out of matted hair may cause patchiness and hair loss. Consent to remove the matted hair is on this contract.
- This contract is bonding for the current groom date and future groom dates. Prices and fees are subject to change without notice. I hereby agree to the foregoing as owner of the pet.

Sometimes the Groomer may find a problem that requires medical attention. In this case the owner will be notified immediately. The safety and well-being of your pet is our main concern, We want to work closely with you in order to maintain optimum health for your pet.

We reserve the right to refuse a pet that presents a risk of injury to itself or staff.

I understand that I am responsible for any additional charges listed above.
